Escape to Puerto Vallarta

2007-06-19

Puerto Vallarta's Villa Premiere Hotel & Spa has what it's billing as an "Escape Rate" that provides savings of nearly 50 per cent off regular rates. The nightly rate of US\$150 per room includes accommodations in an oceanfront room, a welcome glass of champagne, a five-minute neck massage, in-room aromatherapy, butler service, in-room Wi-Fi Internet use, 15 per cent discount on food and drinks, 10 per cent discount on spa services, free access to sauna, steam room and gym, and weekly meditation workshops, yoga and reflexology classes. The Escape Rate is based on double occupancy and is valid through September. E-mail reservations@premiereonline.com.mx and mention booking code SUPER-PREM.
